MESSAGE FROM THE PRINCIPAL
Dear Parents and Carers,

Next week is the AGM of our P & C Association. The P & C is a vital part of the school and offers parents an opportunity to support the students at Wingham Brush through a number of different activities. The work of the P & C is very much appreciated and the students benefit in many ways through the positive contribution of parents. All are welcome to attend.

The coming week is a busy one with rugby league coaching and the Rugby Union 7’s day for which a number of children, both boys and girls have been training. There has also been an expression of interest by many students to participate in the Scottish Festival this year in a dance group. These are wonderful examples of how students at Wingham Brush are willing to participate in programs we are fortunate to be able to offer. This positive approach to extra-curricular activities and willingness to give of their time in order to be better prepared is a credit to all students and the teachers who give up their time as well.

Regards,
Liz Newman, Relieving Principal

The Autumn sun is still very strong so hats, sunscreen and appropriate clothing would be a great idea. Remember, be proud of your House and wear House colours.

A program for the day is below but the times are only “approximate”.

YOGA PLAYTIME
Yoga playtime for mothers and children 0 and up.
Fridays - 9:30 - 11:00am.
A healthy way to meet and mingle with others, whilst learning some simple and effective ways to relax, replenish and exercise. And a wonderful opportunity to pause, reflect and honour the incredibly valuable role we play as mothers. The children are encouraged to take part, which can be quite a playful and fun way to spend time with your children. If the child is not yet ready to join in, an assistant is available to help, by providing some other quiet activities so that the mother will at least get the opportunity to benefit. This is especially important during the deep relaxation at the end of the session, when the children will be given a story, and will later join their mothers for a shorter relaxation period, so that they can begin to learn to enjoy the benefits of being still and calm. Classes will begin as soon as there is enough interest.
